

Product Suite: NGI's Daily Gas Price Index

NGI's Daily Gas Price Index delivers accurate natural gas price indexes and market insight. As one of only two price reporting agencies that include transactions conducted on the Intercontinental Exchange (ICE), NGI delivers robust market transparency.

Why Subscribe:

- Daily physical spot natural gas price indexes at 170+ market locations in North America
- Benchmark pricing for Chicago and California markets
- Facilitates gas supply and pipeline imbalance "cash-out" invoicing, as well as mark-to-market accounting
- News and analysis of key market events
- FERC approved Price Reporting Agency

How to Access:

- NGI Data Services REST API - Historical physical spot natural gas price indexes at 170+ locations in North America
- Automatic Data Sync to Excel
- Web tools for accessing datafeed & historical data
- NGI Delivery Platform Partners
