

NGI's Bidweek Alert

NGI's Bidweek Alert provides next-month, Bidweek natural gas pricing indications delivered on each of the last three business days of the month, offering a glimpse into NGI's First of Month Bidweek Indexes.

Why Subscribe:

- Understand where Bidweek pricing is headed with daily natural gas prices during the days preceding Bidweek
- Fixed and Basis price breakouts each day of Bidweek with combined "roll-ups" for each of the 150+ locations at which NGI receives price data across North America
- Published prices include deals from the Intercontinental Exchange (ICE)
- Trusted indicative pricing data at a competitive price

How to Access:

- Web access – updated each day during Bidweek
- Excel file delivered via email during Bidweek each month
